

Celebrate Life Foundation is a registered Non-Profit Company that seeks to raise awareness of cancer in the rural Eastern Cape. It evolved out of an initiative Celebrate Life Give Hope, established in 2013 to support cancer survivors and cancer awareness programmes in the Eastern Cape.

Our reach & impact

Celebrate Life Foundation has made a lasting impact in addressing cancer in rural communities for over 5 years.

5 000

people reached through social media with the consistent message that early detection saves lives.

2 500

people reached through social events.

R130 000

contributed from the 2013 Celebrate Life dinner in support of the CANSA Mthatha office.

R111 000

contributed through participation in 5 annual CANSA Relay for Life events supporting cancer survivors in East London over a five-year period.

R42 000

donated to Cancer Association (CANSA) East London by organising 2 Cuppa for CANSA

2022 CELEBRATE *LIFE* FOUNDATION DINNER

Celebrate Life Foundation presents the annual survivors' dinner, spotlighting and honouring cancer survivors and warriors. With our last dinner held before the pandemic, we look forward to welcoming back specialists, experts and caregivers within the healthcare sector.

This year, we are focusing on educating and sharing about the importance of early detection, care, and management of colorectal cancers.
